To Supreme Court Clerk of Court.

Petitioner, James E. Horton, is filing Petition for Review Pro Se and In Forma Pauperis by mail. Indigent + without income, he is without reliable physical mailing address, but has email and access to his email address.

Today, prior to service by mail, I, petitioner, attempted to request Email transfer response through fields on website at appellatecases.court.ca.gov/email.cfm?dist=0. Database would not recognize Appellate Court Case number. I was unable to request for email notification at this time.

In situation aforementioned, petitioner needs service of file stamped copy of petition returned by email attachment which is practicable without reasonable, just excuse. Petitioner is situationally unable, excusably, to provide return envelope for post service returned by postal service. Please do not procedurally harass or deny →
